Dear Judge Furman:

We write requesting permission to file a Sentencing Memorandum of just over 27 pages long. The reason for the request is that, apart from the significant issues that we address in the memorandum, in order to provide Your Honor with a full picture of the defendant, we have incorporated excerpted portions of letters submitted by family and friends of the defendant.

In addition, because we have redacted certain confidential medical information from the Sentencing Memorandum, enclosed please find an unredacted copy (text-searchable).

Thank you for your consideration in this matter.

Very truly yours,

Daniel S. Parker
